

**Welcome to the Internet
Conference "Nano-technology in
pharmacy and medicine", which
take place on April 19-20, 2017.**

The first Ukrainian Scientific-Practical Internet Conference with International Participation "Nano-technology in pharmacy and medicine" to be held on April 19-20th 2017, at the Inorganic Chemistry Department of **National University of Pharmacy**, Kharkiv, Ukraine.

MAIN TOPICS:

- Current approaches to the synthesis of nanostructures.
- Research physical and chemical properties nanosystems.
- Study of the biological activity of nanostructures.
- Creation of medicines based on nano (nanopharmacology).
- Development of treatments with drug delivery and nanomedicines (nanomedicine).

Important date: registration and abstract deadline 9, April, 2017.

Conference Regulations

Conference Venue: Ukraine, Kharkiv, 4 Valentynivska str., National University of Pharmacy, Department of Inorganic Chemistry, +380 572 67 92 07
