

Welcome to the Second Internet Conference "Nanotechnology and nanomaterials in pharmacy and medicine", which take place on April 23, 2021.

The Fifth All-Ukrainian Scientific-Practical Internet Conference with International Participation "Nanotechnology and nanomaterials in pharmacy and medicine" to be held on April 23th, 2021, at the Inorganic and Physical Chemistry Department of **National University of Pharmacy**, Kharkiv, Ukraine.

MAIN TOPICS:

- Current approaches to the synthesis of nanostructures.
- Research physical and chemical properties nanosystems.
- Study of the biological activity of nanostructures (nanopharmacology).
- Creation of medicines based on nano (nanotechnology).
- Development of treatments with drug delivery and nanomedicines (nanomedicine).

Important date: registration and abstract deadline 17, April, 2021.

Conference Regulations

Conference Venue: Ukraine, Kharkiv, 4, Valentynivska str., National University of Pharmacy, Department of Inorganic and Physical Chemistry, +380 572 67 91 92

Conference was registered at UkrISTEI (certificate № 406 from September, 16, 2020)

Conference materials: abstracts proceeding **free of charge**. From April, 23 electronic version of abstracts, program and certificate of the participant will be available for download on the

website of Department of Inorganic Chemistry: <http://inorgchem.nuph.edu.ua>.

Languages: English, Ukraine or Russian for abstracts.

Paper preparation: the **TITLE** (font: 14 pt, Bold, Centered) should be followed by the name(s) of author(s), *their affiliation* and *email*. Full text (14 pt, justified, line spacing: 1.0) of the abstract should follow the email address. The figure captions (font: 12 pt), table captions (font: 12 pt) and references (font: 12 pt) may be prepared.

For example:

SYNTHESIS AND SURFACE STRUCTURE OF Ag@Fe₃O₄ CORE-SHELL NANOCOMPOSITE

Levitin Ye., Vedernykova I., Kryskiv O.
*National University of Pharmacy,
Kharkiv, Ukraine
neorganic@nuph.edu.ua*

Magnetite nanoparticles are the most used magnetic material for...

Participation in the Conference: for registration, the registration form and abstracts should be submitted to the Organizing Committee (fill out one time with one material) [on the page of conference](#). To send materials, use the form and attach the file in the format *.doc or *.docx.

Please, specify in the name of the file your last name, for example, Levitin.docx. If one author sends several abstracts, a digit is added to the file name, for example, Levitin-1.docx.

The results of the registration and acceptance of the materials will be sent to the email, specified at registration.

Local Organizing Committee:

Chairman: Kotvitska A.A. – rector of NUPh, doctor of pharmaceutical sciences, professor, Honored personality of science and technics of Ukraine

Vice-chairman: Vladimirova I.M. – vice-rector for scientific work of NUPh, doctor of pharmaceutical science, professor

Vice-chairman: Golik M.Yu. – head of inorganic and physical chemistry department, associate professor

Members of the organizing committee:

professor Levitin Yevgen,
tel. +380 67 570 30 02
professor Vedernykova Iryna,
tel. +380 63 602 73 61
professor Shpychak Oleg,
+380 50 400 75 82

Secretary:

associate professor Kryskiv Oleg,
tel. +380 68 918 65 26
