INTERNATIONAL SCIENTIFIC-PRACTICAL CONFERENCE

«INDUSTRIAL PHARMACY - REALITIES AND PROSPECTS»

INFORMATION LETTER

Dear colleagues!

Department of the Technologies of Pharmaceutical preparations of the National University of Pharmacy of the Ministry of Health of Ukraine invite you to participate in the International Scientific-Practical Conference "**Industrial Pharmacy - Realities and Prospects**" dedicated to the 80th anniversary of the birth of Professor V.I. Chueshov, which will take place on March 17-18, 2022, Kharkiv.

The conference is included in the Register of conventions, congresses, symposiums and scientific-practical conferences for the year 2022. (*Certificate № 573 of the Ukrainian Institute of Scientific and Technical Expertise and Information dated August 2, 2021*).

THE MAIN DIRECTIONS OF THE CONFERENCE WORK

1. Development, production, distribution and prospects of medicines creation;
2. Biopharmaceutical aspects of medicinal products development;
3. Standardization of drugs, pharmaceutical and chemical-technological analysis;
4. Study of vegetable raw materials and creation of phytopreparations; modern technology of drugs and extemporal formulation; non-clinical studies of new medicines;
5. Organization and economy in pharmacy, marketing management and pharmacoeconomics at stages of development, distribution and use of medicines;
6. Pharmaceutical and medical biotechnology, prospective biologically-active substances;
7. Improvement of extemporal medicines' composition and technology;
8. Theory and practice of students training on educational programs «Pharmacy», «Technologies of Pharmaceuticals», «Biotechnology», «Industrial biotechnology», «Pharmaceutical biotechnology» and others.

PARTICIPANTS ARE WELCOME

Scientists, applicants for higher education, master students, postgraduate students, post-doctoral students, employees of pharmaceutical enterprises, pharmaceutical companies, teachers of higher pharmaceutical and medical educational institutions.

THE CONFERENCE PARTICIPATION FORM

- Oral report and publication of abstracts
- Poster report (stand) and publication of abstracts
- Publication of abstracts

WORKING LANGUAGES OF THE CONFERENCE

Ukrainian, English, Russian.

PUBLICATION OF CONFERENCE MATERIALS

Conference proceedings will be published in the Collection of Scientific Works "**Industrial Pharmacy - Realities and Prospects**" dedicated to the 80th anniversary of the birth of Professor V.I. Chueshov

REQUIREMENTS TO MATERIALS SUBMISSION

- Font – Times New Roman, font size – 14 pt, margins 2 cm on all sides, line spacing – single, spacing before and after paragraph – 0 pt (absent), main line spacing – 1,25 cm (use ruler settings, not spaces), volume, including tables, figures and references: **thesis 1-2 full pages, articles 3-5 (not more) full pages;**
- The headline of an article/abstract should have: first line – UDC (for articles only), second line – name of the article/abstract (bold capitals), third line – names and initials of authors, separated with comas (bold italics), fourth line – complete name of authors' affiliation, city, country (bold);
- with one line space type the text of the article/abstract;
- an article/abstract must contain the following sections: introduction with statement of relevance and the aim of the study, research methods, main results exposition, opinion or conclusions, references list;
- an article/abstract might contain black and white tables and graphs, created using Microsoft Word tools and must be editable; text must contain references to graphic material (see Fig. 1, see graph 2 etc.). The number of figures and/or tables in an article should not be more than 2. Figures data should not repeat material in tables. Tables must contain generalized and statistically processed research materials, have number and title. In tables all columns must be titled, numbers and units must be according to text, words abbreviations are not allowed. In the article words abbreviation is only allowed with primary indication of complete name or according Standards Committee approved list. Units of measurement are given according the International units system SI;
- after the main text of the article should be given numbered references list (not more than 5 sources) as complete bibliographical description of works in alphabetical order (first Cyrillic, then Latin alphabets). Reference links in text are given as reference number in square brackets (footnotes in the end of the page are not allowed);
- Article formalization sample is given below;

Requirements for the design of a poster report (stand):

- in the upper right corner (above the name) the name of the section is indicated (without highlighting);
 - at the top of the poster the title of the work is indicated (in capital letters, bold, no more than three lines), on the next line - the name and initials of the authors (without highlighting, scientific degrees are not indicated); below - full name of the institution, city, country; on the next line - e-mail of the corresponding author;
 - poster (stand) should contain the material of scientific work: the purpose of the study, materials and methods, results obtained in the form of graphs, tables, diagrams, illustrations, charts, drawings (the size of which should not exceed A4 paper) and conclusions;
 - size of the stand: A1 (594 x 841);
 - the size of the font should allow reading from a distance of 100 cm.
- Please send materials in *.doc or *.docx format, drawn to the requirements, together with participation form **before March 05 2022** using the link: <https://tfp.nuph.edu.ua/konf2022-03/>
- The results of registration and receipt of materials can be tracked by following the link: <https://tfp.nuph.edu.ua/konf2022-03/>
- Articles must be in electronic version, saved in *.doc or *.docx format;
 - One file must contain one article;
 - File names: section number_Surname Name (for example, 1_Tyshko FP) If two publications of one author are submitted, the files are numbered in Arabic numerals (1_Tyshko FP-1, 1_Tyshko FP-2);
 - Materials of the conference will be placed in electronic scientific collection at website: <https://tfp.nuph.edu.ua>

Participation in the conference and posting abstracts in the collection are FREE!

Materials that do not meet the specified requirements in the design, submitted in violation of the established deadlines, in case of detection of academic plagiarism will not be accepted for consideration.

The author is responsible for the content of theses.

Formalization sample:

DEVELOPMENT OF OINTMENT WITH PLANT EXTRACTS

Tyshko F.P., Tykhyi F.P.

National University of Pharmacy, Kharkiv, Ukraine

Introduction. Text, text, text, text, text, text, text

The aim of the study. Text, text, text, text, text, text, text

Methods of research. Text, text, text, text, text, text, text

Main results. Text, text, text, text, text, text, text

Conclusions. Text, text, text, text, text, text, text

With special care and amiability,

The organizing committee of the conference:

Kotvitska A.A. – rector of NUPh, doctor of pharmaceutical sciences, professor, Honoured personality of science and technics of Ukraine, head of the organizing committee.

Vladymyrova I.M.– vice-rector for scientific work of NUPh, doctor of pharmaceutical sciences professor, associate head of the organizing committee.

Kukhtenko O.S. – Head of Technologies of Pharmaceutical preparations Department of NUPh, doctor of pharmaceutical sciences, professor, associate head of the organizing committee.

Chuieshov V.I. – professor of Technologies of Pharmaceutical preparations Department of NUPh, doctor of pharmaceutical sciences, professor, associate head of the organizing committee.

Soldatov D.P. – candidate of pharmaceutical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Manskyi O.A. – candidate of pharmaceutical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Sichkar A.A. – candidate of pharmaceutical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Bezrukavyy Ye.A. – candidate of pharmaceutical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Stepanenko S.V. – candidate of pharmaceutical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Trutaiev S.I. – candidate of pharmaceutical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Nikolaichuk N.O. – candidate of pharmaceutical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Liapunova O.O. – candidate of pharmaceutical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Saiko I.V. – candidate of pharmaceutical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Velma V.I. – candidate of technical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Kutova O.V. – candidate of technical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Efimenko O.V. - candidate of technical sciences, associate professor of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.

Bondarenko A.S. – candidate of pharmaceutical sciences, assistant lecturer of the Technologies of Pharmaceutical preparations Department, member of the organizing committee.
