IIIrd INTERNATIONAL OLYMPIAD FOR MEDICAL STUDENTS “SAMARKAND-2020”

DEAR COLLEAGUES AND STUDENTS!

You are invited to participate in the IIIrd International Olympiad for Medical Students “**Samarkand-2020**” to be held on 16-17 December 2022.

The purpose of the “**Samarkand-2020**” Olympiad is to popularise knowledge in various fields of medicine and basic sciences, as well as to increase students' interest in learning and science, and to create opportunities for them to demonstrate their scientific and creative potential.

Olympiad tasks are to:

1. Identify and detect gifted students and contribute to their development;
2. Improve students' knowledge of medical disciplines;
3. Develop students' skills and competencies in practical medicine;
4. Develop the ability of students to use the knowledge, skills and abilities they acquired in analysing clinical cases;
5. Familiarise medical students with the heritage of global and national medicine for the benefit of the folk.

Languages of the Olympiad: Uzbek, Russian and English.

“**Samarkand-2020**” Olympiad Opening Ceremony: 16 December 2022 at 10:00 a.m.

THE OLYMPIAD WILL BE HELD IN THE FOLLOWING 34 MEDICAL FUNDAMENTAL AND CLINICAL DISCIPLINES:

FUNDAMENTAL DISCIPLINES:

- ✚ Human anatomy
- ✚ Operative surgery and topographical anatomy
- ✚ Physiology
- ✚ Pathological Physiology
- ✚ Pathological Anatomy
- ✚ Forensic medicine
- ✚ English in Medical Communication
- ✚ Medical Biology
- ✚ Histology, Pathology & Embryology
- ✚ Microbiology
- ✚ Medicinal Chemistry
- ✚ Biological Chemistry
- ✚ History of Medicine, Bioethics

Student Scientific Society

CLINICAL DISCIPLINES

- + Surgery
- + Neurosurgery
- + Pediatric Surgery
- + Traumatology and Orthopaedics
- + Anaesthesiology and Critical Care
- + Internal Medicine
- + Propaedeutics of Internal Medicine
- + Infectious Diseases
- + Neurology
- + Urology
- + Radiology
- + Oncology
- + Ophthalmology
- + Sports Medicine
- + Paediatrics
- + Obstetrics and gynaecology
- + Therapeutic Dentistry
- + Orthopaedic Dentistry
- + Oral and Maxillofacial Dentistry
- + Pediatric Dentistry
- + Otorhinolaryngology

RULES FOR PARTICIPATION

Medical students are invited to participate in the Olympiad, according to their field of education and year of study.

One participant can choose only one academic discipline. Only 10 students from each university can participate in 10 different subjects.

The Olympiad will consist of 3 competitions:

1. Welcome speech of the HEI team (video clip);
2. Contest of scientific projects of young scientists;
3. Competition in 34 disciplines.

The Olympiad is held in offline/online format.

1. «Welcome speech of the team»

In the video, the team introduces their university and city.

Time limit: 5 minutes. The video in .mp4 or .wmv format should be sent to videosamarkand.2020@gmail.com by 1 December 2022 (file name: Team greeting - university name).

The number of participating universities is unlimited: 1 video from each university.

Form of participation: online.

Student Scientific Society

Competition Coordinator - Abbasov Khojimukhammad Khabibullaevich (+998901911199 Telegram, WhatsApp).

2. «Contest of scientific projects of young scientists»

Form of participation in the competition: presentation of the results of their research work in person.

Papers must be prepared in MS PowerPoint application and sent by 1 December 2022 to naukasamarkand.2020@gmail.com (file name: "Research project - participant's name").

Time limit: up to 5 minutes.

The number of participants is limited: 1 participant from each university.

Form of participation: offline

Contest coordinator - Sabina Avazovna Makhmudova (+998915309636 Telegram, WhatsApp).

3. Competition in 34 disciplines

Requirements for online participation

I - stage

- Testing (time: 13:00 to 13:30).

Number of questions: 30

Running time: 30 minutes

A student with less than 50 points (maximum 100 points) will not advance to the next round.

II - stage

- Oral questioning (time: 14:00 to 17:00).

Maximum score: 100 points

1. Discipline question (1 question), maximum score: 25 points;

2. Case solving (1 problem), max. score: 25 points;

3. Evaluation of practical skills (1 practical skill), maximum number of points: 50 points

The sum of round I and round II is the result of the scores

Maximum score: 200 points. Participants of this type of Olympiad (online) will receive separate honours and certificates for participation.

The number of participants is not limited. In this category there is no team scoring, only individual participation.

To participate online, you must register online at <https://olymp.sammu.uz> by 1st of December 2022.

Requirements for offline participation

I - stage

- Testing (time: 13:00 to 14:00).

Number of questions: 30

Running time: 30 minutes

II - stage

- Oral questioning (time: 14:00 to 17:00).

Maximum score: 100 points

1. Discipline question (1 question), maximum number of points: 25 points;

2. Case solving (1 problem), maximum: 25 points;

Evaluation of practical skills (1 practical skill), maximum number of points: 50 points.

The sum of round I and round II is the result of the scores

Maximum score: 200 points. The number of participants is limited:

10 participants are regulated from each HEI and each participant can only participate in one subject and only in offline format. Participants of this type of Olympiad (offline) will receive individual places of honour and certificates for participation.

In this category there will be team scoring (winners and runners-up will be determined by the total number of points obtained).

Summing up the results.

The answers of the participants will be evaluated by a team of an international jury. The winners and runners-up of the Olympiad will be determined by the total number of points scored.

The winners of the Olympiad will be awarded diplomas and the participants will be awarded certificates of the Olympiad.

Awarding ceremony will take place at the closing ceremony of the III International Olympiad "Samarkand-2020" on December 17 at 14:00.

The list of participants of the Olympiad approved by the Vice-Rector for Science will be provided under the supervision of one teacher. The head of the HEI should send the information about the participants (Appendix No.1) to the e-mail olympiadsamarkand@gmail.com by 1st December 2022.

Additional information, the Olympiad programme, contact numbers and emails of those responsible for the Olympiad disciplines will be posted on the official website <https://olymp.sammu.uz> and <https://sammu.uz>
