**SECTION 1.** Public health, Health management

**SECTION 2.** Humanitarian sciences, Pedagogy, Foreign languages in medicine

**SECTION 3.** Fundamental medicine (Anatomy, OSTA, Pathological anatomy, Forensic medicine)

**SECTION 4.** Morphology (Physiology, Pathological physiology, Histology, embryology and cytology)

**SECTION 5.** Pharmacy in a different directions

**SECTION 6.** Chemical Sciences

**SECTION 7.** Pediatrics

**SECTION 8.** Internal diseases, Phthisiology

**SECTION 9.** Cardiology

**SECTION 10.** Neurology, Neurosurgery, Psychiatry

**SECTION 11.** Traumatology, Sports medicine, Medical rehabilitation

**SECTION 12.** Infectious diseases, Microbiology, virology and immunology, Epidemiology

**SECTION 13.** Obstetrics and gynecology.

**SECTION 14.** Surgery and urology

**SECTION 15.** Pediatric surgery

**SECTION 16.** Anesthesiology, Reanimatology, Emergency Medicine

**SECTION 17.** Oncology, Hematology, Medical radiology

**SECTION 18.** Dentistry by specialty, maxillofacial surgery

**SECTION 19.** Otorhinolaryngology, Ophthalmology

**SECTION 20.** Clinical laboratory, Hygiene

**SECTION 21.** Endocrinology, Dermatology and medical cosmetology

**SECTION 22.** Biology, Biophysics

**SECTION 23.** START-UP projects, Informatics in medicine

**SECTION 24.** Competition of young scientists within the framework of the 78th scientific and practical conference

**SECTION 25.** Basis for the interactive development of specialized technical schools

### ***ATTENTION!***

- 1. Masters, residents, interns and young scientists under the age of 35 can take part in the competition for young scientists within the framework of the 78th scientific and practical conference.**
- 2. Students of specialized medical technical schools can take part in the section “Basis for the interactive development of specialized technical schools.”**
- 3. The START-UP project competition is held only in OFFLINE format. Bachelor's degree students can take part in this competition. You can find detailed information in Application-2.**

**INFORMATION ON PARTICIPATION IN THE 78TH INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE “ACHIEVEMENTS OF FUNDAMENTAL, APPLIED MEDICINE AND PHARMACY”:**

The materials of the scientific and practical conference will be published in a collection of proceedings - free of charge.

**The deadline for accepting scientific papers and applications is April 10, 2024.**

**Venue:** Uzbekistan, Samarkand, Samarkand State Medical University.

**Event date:** 05/17-18/2024.

**Requirements for thesis submission**

The text style is “normal” in the MS Word version. Volume – no more than 1 page, font – Times New Roman, font size 12, interval – single (for the entire document). Aligned in width, margins 2 cm on each side. The use of illustrations, tables and graphs in the text is not allowed. No more than 2 works are taken from one author. The number of authors is no more than 3. It is not allowed to introduce a scientific supervisor of the work into the team of authors. The thesis must indicate: the purpose of the research, material and methods, research results and conclusions.

**P.S.:** When sending by email, indicate “Conference Theses” in the “Subject” column. Works are sent as an attached file, the name is the surname of the first author, for example, “petrov.doc”. Theses are accepted subject to a completed questionnaire, which is also sent to our email address [samgmu.conference@gmail.com](mailto:samgmu.conference@gmail.com) along with the abstracts (on the second page).

All works will be checked for plagiarism, submitted materials will be rejected by the Editorial Board without warning if the format requirements are not met.
